

## Meals During Fall Break

Every year, Hillsborough County Public Schools (HCPS) collaborates with local partners to ensure our students have access to food while school is not in session. The District's plan for the fall break is to work collectively with four community partners who will distribute meals from a variety of locations. For your review, all partnerships and relevant information is provided below:

As we transition into Winter Break (December 2020), Hillsborough County Public Schools will offer a special meal distribution plan called, "7 Days of Meals," from several of our Grab-and-Go sites, as part of the Summer Food Service Program. Additional information regarding "7 Days of Meals," and its locations, dates, and times, will be provided after staff returns from fall break. I hope that each of you have a great Thursday and if you have any questions, please let me know.

Respectfully,
