OAK PARK ELEMENTARY SCHOOL

Dear Parents/Guardians:

All educators are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individual to teach and support each student in the classroom. The district is assisting our teacher by developing an *Individual Professional Development Plan* to complete the requirements need to become in-field and/or highly qualified.

All our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at (813) 740-7733.

The table below lists teachers who are currently out-of-field.

Sincere

Ryan Moody, Principal
