

FALL FUNDRAISER

September 28th- October 9th

Dear Pride Families,

We know that the start of this school year looks different than most. But we still need your help and support this year. All funds raised from this fundraiser will be used for instructional support for our current students.

PTA has renewed the following programs for all students this year at Pride:

- BrainPOP- A resource that provides short educational videos for all students for use at school and home.
- Flocabulary- A learning program for all grades that uses educational hip-hop music to engage students and increase achievement across the curriculum.
- Learning A-Z- Leveled programs that support instruction in reading, writing, vocabulary, science, and test-taking skills.
- With the uncertainty of what Pride may need this school year, all additional funds raised will be voted on later.

Our Fall Fundraiser this year is easy. We are asking for monetary donations based on the year your child will graduate high school.
