

THE BOOK FAIR IS COMING!

Pride Elementary will host an **ON-CAMPUS BOOK FAIR** from October 22--30, 2020. Both on-campus students and eLearning students are invited to shop in person and online. The following health and safety procedures will be enforced for the safety of all:

- All students and families visiting the fair must wear face masks.
- Hand sanitizer will be applied when entering the fair area.
- The number of shoppers inside the book fair will be limited.
- Students and parents may only touch books or items they will likely purchase.
- All books are displayed on rolling carts, which are spaced apart.
- All purchases will be contactless.

ONLY electronic payments through Scholastic eWallet will be accepted.

Create your free account here:

No money is charged until purchases are made. The account is limited to how much money is authorized. (For example: A parent places \$20 in the eWallet account. Her child selects a \$10 book at the book fair. Only \$10 is charged, and the child is limited to \$20 or less in purchases.)

Thank you for your understanding of our special procedures and your support of our book fair. The book fair supports our library media program while offering great new books to our learners!
