

MTSS/RtI

What Does This Mean for My Child?

Schools use acronyms such as MTSS/RtI and use terms such as Tier One, Two and Three all the time. What does all of this mean for my child? This presentation is designed to increase parent and family knowledge and understanding of Hillsborough County Public School's Multi-Tiered System of Supports (MTSS) framework. During this presentation, you will learn what it is and what things families can do to be an integral part of the problem-solving process for their child. You will also learn what to expect from the school and the teacher when they are planning and providing instruction/intervention support to your child, and what resources are available to help your child at home.
