

Tampa Bay Tech's website has changed from mytbt.com to mytbt.org. Our website is very informational. If you scroll to the bottom of the page, you can watch our promotional video. You are also able to browse the various programs. Parents and students can sign-up for one of our virtual tours through the website. We have two tours per week; one is at 9:30am and one is at 2pm.

This Thursday, November 19th, is a magnet exploration night from 6-7pm. Parents and students can sign-up through the magnet/choice district site. This gives them the opportunity to visit several schools during one evening. There will be one more magnet exploration on December 3rd from 6-7pm.
