

# You're invited!

## HCPS Magnet and Career and Technical Education Expo

Thursday, November 5, 2020  
5:30 PM EST - 7:00 PM EST

[REGISTER TODAY](#)

Experience what the many Magnet Schools and Career and Technical Education (CTE) programs Hillsborough County Public Schools has to offer! Our Expo will feature every Magnet Program in HCPS as well as many CTE programs to provide families with the most comprehensive event to inform their application for the 2021-2022 school year.

This year's event will be a 100% **VIRTUAL** event.

Families will have the opportunity to:

- **Watch presentations with demonstrations and program highlights from HCPS Magnet and CTE Programs.**
- **Ask individual schools questions during the interactive, virtual Q&A.**
- **Visit Zoom rooms of District Placement Specialists who can assist with navigating the application process.**
- **Experience the School Options that HCPS has to offer!**

Families' questions will be taken through the chat function via Zoom. Participants' video and microphones will be disabled, but you will be able to see and hear the presenters while they are providing information and displaying experiments and activities.

Programs will present on 15-20 minute cycles throughout the event, with every session being live and fresh and exciting! You can stay in each session as long as you like and visit as many schools throughout the evening as you want to visit.

For those with language or accessibility barriers, accommodations will be made to ensure that all families get the information they need.

**Please note: Advance registration is required. All registered guests will receive log in instructions and information several hours prior to the event.**

Cost: **FREE!**

If you have questions, please call Hillsborough County Public Schools Choice Helpline 7:00 a.m. to 4:30 pm, weekdays at 813-272-4692.
