Dear Parents and Guardians:

As you may know, schools across the county are experiencing unit adjustments and Bowers/Whitley Career Center is no different. As a result, we are in the process of dissolving classes and student's schedules may change for the quarter 2. Our guidance department is working hard to ensure your student's schedule is minimally impacted and the changes are communicated efficiently. If you have any questions, please do not hesitate to contact the guidance office.

Thank you for your patience and understanding in this challenging year.

Sincerely,

A handwritten signature in black ink that reads "Derrick Gaines". The signature is written in a cursive style with a large, looped initial "D".

Derrick Gaines, Principal
