

## **School Improvement Goals**

### **Goal #1**

Achieve3000 will be used to track lexile levels for all students. In addition, there are practice tests built into the program to measure improvement throughout the year.

Each content area will be responsible for creating their own common assessments or use district provided assessments to measure learning gains on standards.

### **Goal #2**

Reduction of ISS/OSS days, increase attendance, and improved passing rates in all classes. Use Parent Climate Survey results.

### **What is Title I Compact**

The Title I compact is a voluntary joint agreement between the school, parents/guardians, and students that is jointly developed. It outlines how each will share responsibility to improve academic achievement and build a partnership that will help students to achieve Florida's high standards.

Meetings are held every year to review and make necessary changes.
