

After School All Stars is providing free after school and virtual programming for students in grades 3-8 at Carter G. Woodson!

For students enrolled for “brick & mortar” school on site, After School All Stars will provide safe supervision and mentoring from school dismissal until 6pm. Students will receive snack, homework help, fitness and nutrition activities, and enrichment activities like art, STEM and leadership.

*After School All Stars will be following all safety practices set forth by the school district. Students will be required to wear a mask and hand washing and sanitizing will be performed frequently.

For students enrolled for e-learning, After School All Stars will be providing on-line, virtual programming. This will include tutoring and support for e-learning, as well as fun enrichment clubs with activities that can be done at home. An updated schedule for virtual programming will be announced for the new semester beginning Jan. 19th.

To register for both in-person and virtual programming please click the link below.
