

Hello Dolphins!

Welcome to ABES 2020-21

From the Principal

Even though this school year will begin like no other, we are excited to start a new year of learning with our students!

Whether our Dolphins are returning to the school building or staying at home to do eLearning, we cannot wait to welcome them back.

At the end of last year, we learned that school is not a building, it is the people. It is a community of students, parents, and staff that come together to make great things happen. We are fortunate to have such an amazing school community!

We are looking forward to working together to ensure that our Dolphins have a positive, safe, and successful school year. We are excited to see you...in person or online!
