Welcome Back Letter

2020-2021

Bulls,

We are extremely excited and eager to welcome all of you back to the bull pen for the 2020-2021 school year. Our staff, teachers, and administration are ready to help you set and achieve your academic and social goals for the new school year. Regardless of how we begin the school year, please know that we as a staff are committed to providing our students with the best education possible. We will have the necessary supports in place for each one of you to ensure a successful school year.

The dates below reflect our current opening plan. If there are any changes related to the beginning of the school year, we will communicate the information as we receive it from the district. **Our virtual open house is currently scheduled for Thursday, August 20th.** Please review all open house information via Canvas. We will also send out open house information through sway (Bulletin).

Please review the important information below regarding our opening day and bell schedules for the first week.

Our first day of school is Monday, August 24th. The first week will be Elearning for all students. The bell schedule for the first week is as follows; Monday, 8:40A.M.-2:45P.M and Tuesday through Friday, 8:40A.M.-3:45P.M. The first day of school is an early release day which is why dismissal is an hour earlier than the rest of the week. This will be the case most Monday's. If a Monday will not be an early release day our school will communicate that out to all of you. Please check the district student calendar for more important student dates at <https://www.sdhc.k12.fl.us/calendar/>.

Starting August 31st students who chose eLearning will remain on eLearning while students who chose the brick and mortar option will return to school. We will continue to

communicate information during the summer and throughout the year using different outlets of communication. Please follow Bloomingdale on twitter @BloomingdaleSHS, on facebook (Bloomingdale Senior High School), and on our website. We will also be sending our BULLETIN newsletter once a week to all our families outlining important information and dates. If you have any questions, please feel free to contact the school at 813-744-8018.

Once again, on behalf of our staff, teachers, and administration we look forward to welcoming all of you to the 2020-2021 school year!

Go Bulls!
