

Welcome to the 2020-2021 School Year!

Note from Mrs. Ventura, Principal

On behalf of the staff at Cannella Elementary School, I am thrilled to welcome you to the 2020-2021 school year! As the new principal of Cannella Elementary School, I am excited to begin this new school year full of engaging instruction, positive classroom environments, and vast opportunities to see our Comets soar.

I want to take a moment to share a little about my background. I will be entering my fifteenth year in education beginning the 2020–2021 school year. I have served in a variety of roles including middle school teacher, assistant principal, and principal intern at Montgomery County Public Schools in Maryland and varying exceptionalities teacher at Cannella Elementary School, and most recently, assistant principal at Dickenson Elementary School. From my experience at Cannella Elementary, I know our students are receiving the highest quality of instruction from a dedicated staff. As your principal, my primary focus will be to maintain a safe and welcoming environment that maximizes academic achievement and social development for every student at Cannella Elementary School, all while maintaining positive relationships among students, families, and staff.

Please know that regardless of school setting, traditional Brick and Mortar or eLearning, we are eagerly awaiting the start of a new school year! We are asking Cannella Families to complete the following survey in order to help us prepare for the new school year.

Note from Ms. Trafficante, Assistant Principal

Hello and welcome to the start of a new school year! A special welcome to our new students and a “welcome back” to our returning students – we are very excited to start a brand-new school year with you and the rest of our school family. However the beginning of the school year looks (traditional or with eLearning), Mrs. Ventura and I can assure you our teachers will be ready with rigorous instruction, engaged students, and joyful learning.

As many of you know, my name is Ms. Alexa Trafficante and I will be returning to Cannella for my second year as the Assistant Principal. I was born and raised in the beautiful city of Tampa, Florida by a long line of educators. Prior to my role as an Assistant Principal, I was an elementary school teacher. In that time, I had the opportunity to teach self-contained classrooms, departmentalized, and also co-teach units (ESE, Gifted, and Infused Classrooms). This past year, I used my many experiences to encourage and coach our teachers to take risks and always put our students, their needs, and safety first.

I look forward to continuing to expand on the strong foundation we have built at Cannella. In addition, I am overjoyed to work alongside our new Principal, Mrs. Ventura. Cannella is beyond thrilled to learn and continue to grow from her varying experiences in education and supporting the vision she has for the school’s continued success.

Lastly, I cannot wait to work with each and every one of you this upcoming school year as well. Your input and feedback are always valued and considered, because at the end of the day, we are a team with the same goal: make Cannella the best school it can be!

¡Bienvenidos al Año Escolar 2020-2021!

Nota de la Sra. Ventura, Directora

¡En nombre del personal de la Escuela Primaria Cannella, estoy encantada de darle la bienvenida al año escolar 2020-2021! ¡Como la nueva directora de la Escuela Primaria Cannella, estoy emocionada de comenzar este nuevo año escolar lleno de instrucción sólida, ambientes positivos, y vastas oportunidades de ver cómo se disparan nuestros cometas!

Quiero tomarme un momento para compartir un poco sobre mis experiencias. Comenzaré mi decimoquinto año en educación comenzando el año escolar 2020–2021. He servido en una variedad de roles, incluyendo maestra de escuela intermedia, subdirectora y directora interna en las Escuelas Públicas del Condado de Montgomery en Maryland y maestra de excepciones variables en la Escuela Primaria Cannella, y más recientemente, subdirectora en la Escuela Primaria Dickenson. Por mi experiencia en la Primaria Cannella, sé que nuestros estudiantes reciben la más alta calidad de instrucción de un personal dedicado. Como su directora, mi enfoque principal será mantener un ambiente seguro y acogedor que maximice el logro académico y el desarrollo social para cada estudiante en la Escuela Primaria Cannella, y mantener relaciones positivas entre los estudiantes, las familias y el personal.

¡Tenga en cuenta que, independientemente de cómo regresemos a la escuela, el ladrillo y el mortero tradicionales o el aprendizaje electrónico, estamos esperando ansiosamente el comienzo de un nuevo año escolar! Le pedimos a las Familias de Cannella que complete la siguiente encuesta para ayudarnos a prepararnos para el nuevo año escolar.

¡Gracias!

Nota de la Srta. Trafficante, Subdirectora

¡Hola y bienvenidos al comienzo de un nuevo año escolar! Una bienvenida especial a nuestros nuevos estudiantes y una "bienvenida de regreso" a nuestros estudiantes que regresan. Estamos muy emocionados de comenzar un nuevo año escolar con usted y el resto de nuestra familia escolar. Sin embargo, al comienzo del año escolar (tradicional o con eLearning), la Sra. Ventura y yo podemos asegurarles que nuestros maestros estarán listos con una instrucción rigurosa, estudiantes comprometidos y un aprendizaje alegre.

Como muchos de ustedes saben, mi nombre es Srta. Alexa Trafficante y regresaré a Cannella para mi segundo año como Subdirectora. Nací y crecí en la hermosa ciudad de Tampa, Florida, vengo de una larga lista de educadores. Antes de mi papel como subdirectora, fui maestra de escuela primaria. Durante ese tiempo, tuve la oportunidad de enseñar aulas autónomas, departamentales y también unidades de enseñanza conjunta (ESE, Aulas para alumnos dotados e infundidos). El año pasado, utilicé mi experiencia para alentar y entrenar a nuestros maestros a tomar riesgos y siempre poner a nuestros estudiantes, sus necesidades y seguridad primero.

Espero continuar expandiéndome sobre la base sólida que hemos construido en Cannella. Además, estoy feliz de trabajar junto a nuestra nueva directora, la Sra. Ventura. Cannella está más que encantada de aprender y continuar creciendo a partir de sus diversas experiencias en educación y apoyando la visión que tiene para el éxito continuo de la escuela.

Por último, espero trabajar junto cada uno de ustedes este próximo año escolar también. Sus comentarios y opiniones siempre son valorados y considerados, porque al final del día, somos un equipo con el mismo objetivo: ¡hacer de Cannella la mejor escuela posible!
