

Colson families,

The Colson Staff and I would like to welcome you to the 2020-2021 school year! We look forward to making this school year an amazing learning experience for both you and your child. We realize in these times of uncertainty, a high quality education in a safe environment is essential. At Colson, we are responsive to your needs, whether you prefer your child returns to school at Colson, learns through e-learning, or virtual school. We are working diligently to create a safe, learner-centered environment for your child.

I am excited to share Colson is undergoing year two of summer renovation projects from the half penny sales tax referendum and is near completion of a brand new roof and air conditioner!

Mark your calendars! Our first day of school will be Monday, August 10th. School opens for breakfast at 7:10 am. School begins at 7:40 am and ends at 12:55 pm on Mondays and 1:55 pm Tuesdays through Fridays.

Please know that we are closely monitoring CDC, State and District Guidelines. The policies and procedures could change due to those guidelines. We will communicate changes as they are made. Thank you for your understanding and flexibility as we do everything we can to be responsive to the needs of the community around us.

I thank you for trusting the Colson staff and I with the very important role of educating and caring for your child. It is a privilege and honor to be your principal.

Educationally Yours,

Orestes Mendez
Colson Elementary Principal
