

Corr Elementary Cub Connection

July 2020

A Message from the Principal

Welcome Back Families!

This year we are starting our school year in what may be our new normal. We are excited to start the school year and see our students and families, whether it is on campus or through eLearning. Lots of lessons have been learned and we are determined to ensure the best educational experience for your child, no matter which format you choose for them to learn. We appreciate your help and support and are here to address any questions or concerns you may have.

Even though our building has been empty since March, our hearts have been full of love and hope for our students. As an administrator, I couldn't be prouder of how our teachers, staff, students, families, and community came together to make eLearning a success during uncertain times.

Things are changing every day. Rest assured that our school and district are committed to keeping you updated on any changes that take place. We look forward to being partners with you in your child's education.

Educationally Yours,

Kristi-Lyn Ricketts

Save the Dates!

Thursday, August 6th- Virtual Meet the Teacher at 4:30 p.m. Teachers will communicate log-in information.

**Monday, August 10th- First Day of School! More info to come.
Doors open at 7:10 AM and school starts at 7:40 AM.**

Mission

To provide an environment in which families, staff, and community actively work together with the students to help all of them realize and reach their full potential.

Vision

Positive Respectful Individuals
Demonstrating Excellence

Our 2020-2021 School Theme

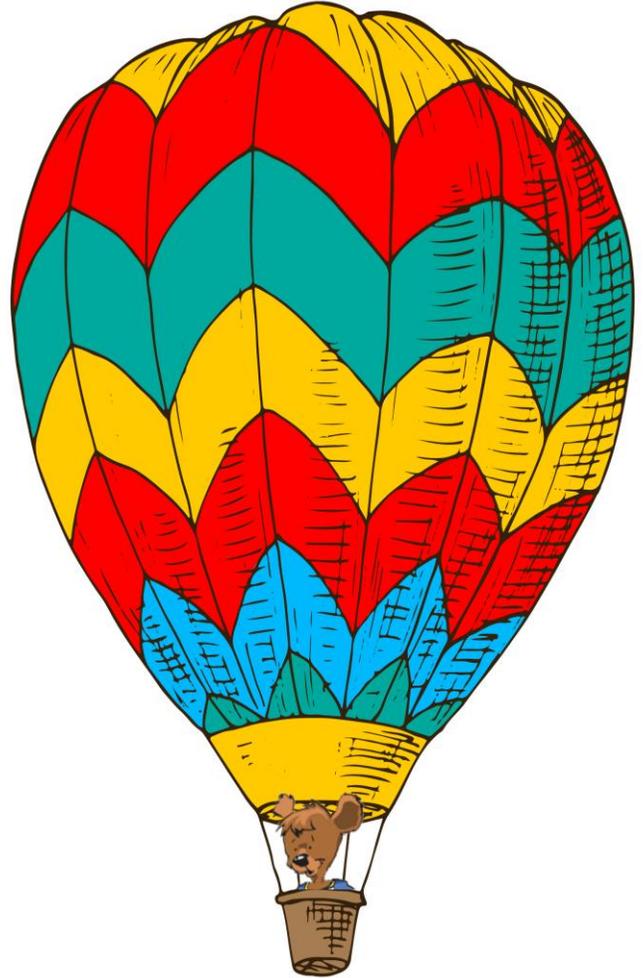

RISE UP!

Towards the end of every school year, I try to think of a theme, or mantra, for the next school year. With the many events that have happened since March, I knew the theme RISE Up would fit perfectly! The song “Rise Up” by Andra Day became my inspiration.

RISE stands for Respect, Inspire, Strengthen, and Empower.

- We will foster an environment of **RESPECT** for all students.
- We will **INSPIRE** students to work hard and be their best selves.
- We will **STRENGTHEN** student learning, social-emotional, and academic achievement by focusing on individual students’ needs.
- We will **EMPOWER** students to take risks and take ownership of their learning and behavior.

The overall goal is that we RISE by lifting others!

Mailouts will be sent home the first week in August. It will contain important information such as your child’s teacher, transportation information, and school policies and procedures. Please make sure you read the information carefully.

We look forward to a wonderful school year!
