

DRAGON NEWS

November/December 2020

Performing Arts: Please check out our Winter Wonderland Showcase on 12/14 at 6:30pm. Over 300 performers will be live streamed right into your homes. Check out our instagram and facebook pages for the link! Facebook: @davidsenCFAMusic Instagram: @davidsenmicrocks or @davidsendance

Business Technology: The Business Technology department is happy to announce that eleven DIT students recently obtained a Microsoft Industry Specialist certification in Word 2019! The remaining DIT students will test before Winter Break. Additionally, we are excited about the opportunity to offer our on-campus CAB students the opportunity to obtain the ICT CyberSafety Essentials Digital Tools certificate also before the break. We hope to expand the program to include our eLearners in the Spring.

Avid: 7th and 8th graders have been studying Public Speaking Skills. We started with Fishbowl Speeches, and will end with Passion Speeches in 8th Grade and Memoirs in 7th grade.

8th Grade students continue to show their school pride by wearing their 8th grade Class of 20-21 shirts. Students can wear these shirts every Friday and on the 8th of each month to be entered in a raffle. Congratulations to this month's winner, Dijonay Blake!

Student Services: We want to remind our eLearning families that our student services team has open office hours through ZOOM twice a day, Monday through Thursday, to answer questions or address concerns that parents or students may have. Please see the schedule posted in Canvas and feel free to reach out. We are here to support you!

We also have a lunch club for our eLearning students that is offered on Thursdays for our 8th graders, and Fridays for our 6th and 7th graders. Please see Canvas for ZOOM links. We play some games with the students and give them a chance to socialize with each other. It's fun! Come check it out!

DECEMBER 14 -18
