

Welcome Back to School Eagles

We are exciting for the 2020-2021 school year. Our school-wide theme this year is, Building

Leaders

Excellence

Growth Mindsets

Opportunities

Focusing on these four components, we will continue to build our school's academic growth and cultural relationships with each other to become the best school in the universe. We will ensure that every Eagle gets what they need to Soar to Success.

We have added some new Eagles to our Edison Family. I would like to welcome the following new teachers:

- Kindergarten: Ms. Chelsea Scott

Edison is a uniform school. We want our Eagles to come to school dressed for success and ready to learn. We know how a person is dressed affects their attitude and behavior. We are implementing the House System this year, as a way of creating a positive climate and culture for all Eagle students and staff. Every PreK through fifth grader will be assigned to a House that will help build character, relationships, and school spirit. Your child's House name and color will soon be released so you can purchase uniform color shirts. Students are also encouraged to wear sneakers everyday to safely participant in physical education activities. Backless shoes and flip flops are not permitted.

The last few months have been challenging for us all. Please be reassured, we are ready to support the learning platform that fits best for your child. We will be modifying our procedures in response to official directives from CDC, State of Florida, and our School District guidelines. Thank you in advance for your understanding as we work to be responsive during these unprecedented times. As always, please call us at **813-276-5579** with questions or if you need additional information.

I look forward to a great year together, Soaring to Success!

Sincerely,

Candice Dodd

Proud Principal
