Dear Parents,

**I am writing to welcome you back to Gorrie Elementary for the 2020-2021 school year. The excitement is growing and we are anxious for another successful school year to begin on Monday, August 10<sup>th</sup>, 2020. Although our year may look different, together we will continue to achieve success and maintain our continuous school grade of A!**

School hours are 7:10 a.m.-1:50 p.m. with a universal free breakfast being served to every child beginning at 7:10 a.m. It is important that the students do not arrive prior to 7:10 a.m. when proper supervision will begin. Bell work will begin at 7:10 a.m., the morning show will be aired at 7:30 a.m. and attendance will be completed at the 7:40 a.m. bell. Instruction will begin promptly at 7:40am.

In order to view your teacher assignment, look at the address label on the post card. In the upper right hand corner of the address label, you will see a classroom number. Follow the link located at the top of the postcard (<http://gorrie.mysdhc.org>) and click on the Teacher Assignment list. Match the number from the postcard with the assigned teacher to determine your classroom assignment for the 2020-2021 school year. The staff has spent many hours determining your child's placement. I know that with your support, your child will have a successful year.

The supply list is also available on the school website along with many other helpful resources.

I am looking forward to seeing you on August 10th and together we are... **#manyheartsononecommunity#wearegorrie!**

Sincerely,

Marjorie R. Sandler  
Principal, Gorrie Elementary School
