## Exceptional Center

“BELIEVE, ACHIEVE, SUCCEED”

At LaVoy Exceptional Center our vision is to create a space where students, teachers, parents, staff, and the community work together to provide an exceptional experience for all of our students. At LaVoy we provide educational programs that meet the individual needs of our students, focusing on specially designed instruction to meet their unique needs, from ages 3 to 22. We have specialized programs for students with Autism Spectrum Disorder, Visual Impairments, Physical Handicaps, Emotional/Behavioral Disabilities, and Significant Cognitive Disabilities. We believe in addressing the whole child to ensure each child, in our school and in our community, is healthy, safe, engaged, supported, and challenged.

### WE ARE DEDICATED TO PROVIDING OUR STUDENTS WITH THE OPPORTUNITY TO REACH THEIR FULL POTENTIAL!

At Lavoy, we focus on three factors to support our students on their journey:

#### BELIEVE

- Students, teachers, faculty, and staff must believe that each one of our students has the right to be healthy, safe, engaged, supported, and challenged. We approach each day like a new day, ready to learn, grow, and be challenged.

#### ACHIEVE

- Our students reach new heights every day. It is important that the hard work of each one of our students, parents, teachers, hard work is acknowledged and celebrated. We use performance indicators to work on goals, and learning objectives. Together, as a team, our students achieve amazing things.

#### SUCCEED

- Each student will achieve success through implementation of their Individual Education Plan and specially designed instruction. Student's curriculum is individualized and supported.

**Lavoy is proud to team up with our parents, and community to provide engaging learning opportunities for our students. Together, we work as a team to ensure each child BELIEVES, ACHIEVES, & SUCCEEDS!**
