Welcome Back!!

Welcome to J. S. Robinson Elementary. Our theme this year is “Our Learning Is Out of This World, To Proficiency and Beyond”. We are so proud of our students and staff for their strong academic focus. During preplanning our staff prepared classrooms for success! We strongly encourage active parent involvement through brick and mortar, and eLearning. ELearning parents, please help set up a quiet learning station for your child/children with a response board, dry erase markers, paper, and pencils. Our bi-weekly newsletter, parent link, and texts will keep you well informed of our school wide activities. We value your partnership as we offer engaging learning environments.

First Day Packets with Emergency Cards

Thank you parents for signing and discussing First Day Packet information with your child/children. Please be sure to return all emergency cards with multiple contact numbers where family members can be reached. Please sign and return all *asterisk forms. ELearning families can return their forms to the school, please place in the clear box outside the Main Office.

Car Drop-Off/Pick-Up

Parents, please make every attempt to have your child here on time this year. The tardy bell is 7:40 AM. All children receive a free breakfast which is served at 7:15 AM. **Breakfast will be served to tardy students till 8:30 AM. Please do not drop-off your child before 7:15 AM. There is no supervision before this time, unless they are registered in the morning HOST program.**

All parents who are picking up students in the afternoon need to have a hang tag on your dash or hanging from the rear view mirror. You may get your child’s hang tag in the main office. We request that **ALL parents remain in your cars and our staff will escort your child to his/her car.** This procedure will help the car line move quickly and safely. **For safety reasons, please do not park and walk up to the cafeteria.** You must drive through the car line in a single file. Thank you for your cooperation.

Dietary Needs

If your student has special dietary needs there is a "Diet Prescription for Special Meals" form in the main office you may pick up. Please fill out, have your physician sign it, and bring it back to the school.

A Note From the Clinic

Welcome to a new school year! If your child has any medical needs that need to be addressed, please call the clinic to discuss with the nurse. Remember that a student cannot bring ANY medications to school in their book bag, lunchbox or pockets. All medications must be signed in by the parent after completing paperwork with the nurse.

eLearning Families

Parents, please assist your child during eLearning hours. They will need a quiet work area with learning tools. We recommend a response board, dry erase markers, paper and pencil. Additionally, students will need a computer with a working camera and audio. If you are in need of a device please call the Main Office. Students will need to learn how to mute and unmute their self for engagement. It is very important that students follow the teacher's schedule and times. Thank you for your assistance.
