

**Welcome Back to Riverview Elementary “Destination to Learning” 20-21 School Year!**

**Dear Parents and Students,**

**We are looking forward to an exciting year of learning, beginning on August 10, 2020. As we begin to navigate through our new school year, I would like to share some important dates and information with you.**

**Please be aware that due to the nature of information changing as it relates to Covid-19, we will be updating and “refreshing” as we move through the days and weeks to come, so please check back for current information.**

**School hours are from 7:40 am- 1:55 pm. The school campus is opened at 7:10 am, and we encourage you to have your students here at that time so they can eat breakfast and acclimate to their day of learning.**

**On August 20th RES will host our Teacher Meet and Greet. Our current plan is for families to attend a virtual open house that each classroom teacher will set up through Zoom. The times will be from 5:30 pm to 7:00 pm. Your child’s teacher will send you the information.**

**On our website you will also find the supply list for each grade level. We look forward to seeing you all during our Meet and Greet! I will be sending more specific information concerning campus guidelines and other pertinent information in the coming weeks.**

**Kind Regards!**

**Melody Murphy, Principal**
