Dear Parents:

July 6, 2020

Welcome to the 2020-2021 school year!

We are very excited that your child will be part of the Oak Grove family. We are currently working on our reopening plan and wanted to share some information with you as we prepare for the first day of school on August 10<sup>th</sup>. We will be following the CDC guidelines and focusing on safety procedures that impact all our students, families and staff members. Please make sure you complete the intent to return form at this time, so we know if your child will be coming back to Oak Grove for face-to-face learning or will be continuing with the eLearning option until at least January 2021.

Our Open House: Meet and Greet event will take place but look a little different this year. In order to comply with CDC guidelines and limit our gathering size, we will be hosting virtual zoom sessions on August 6<sup>th</sup> at 2:00 with your child's teacher. All families that are returning to Oak Grove are encouraged to use this option in order to talk with your child's teacher online and learn more about this school year. You will receive your child's Teacher assignment and more information about the scheduled zoom sessions through the mail by August 1<sup>st</sup>.

On August 7<sup>th</sup>, there will be an opportunity for new Oak Grove families, and anyone that was not able to participate in the online Meet and Greet zoom sessions, to come meet with your child's teacher. This event will be from 1:00 – 3:00 and more information will be coming because assigned times will be provided based on your last name. If you are coming on campus, please remember to follow the CDC guidelines: wear your mask and maintain social distancing.

Our Parent Handbook will provide you with more valuable information, regarding Oak Grove Elementary, along with our policies and procedures. I am confident you will find this information to be very helpful. If you have any questions or concerns that have not been addressed, please feel free to contact me. With your help, our teachers and staff will do their best to make this new school year meaningful and fulfilling for your child. Together, we can make a difference!

I am looking forward to working with all our Oak Grove families. It's going to be a great year!  
As we get additional updates, we will share them with you.

Sincerely,  
Ms. Wilkins  
Principal
