WELCOME BACK

Mustang Families,

Our Maniscalco staff is excited to welcome back our mustang students! We hope this letter finds your family safe and healthy.

Our 2020-2021 school theme is Stronger Together, Mustangs Forever as we welcome our first class of 8th grade students! Yeehaw to all returning mustang students and the many students who have attended Maniscalco since Kindergarten! Our Community of learning will remain strong with a dedication to collaboration, differentiation, and resilience.

The past few months have been challenging to say the least but in "true mustang spirit" our staff is ready to continue to support rigorous learning that embraces the whole student via the platform of learning that is best for your family. There are still many unknowns in the upcoming days before the start of the school year on August 10th. Maniscalco staff will continue to keep our families abreast of changes to platforms of learning and on site events. Families will be notified of upcoming changes via parent links, texts, and website updates. Please see below for school opening reminders.
