

# HOME EDUCATION EVALUATORS

- Evaluators appear on this list at their request. The Office of Home Education does not endorse any evaluator.
- It is the responsibility of the parent to ensure that the evaluator has a valid State of Florida teaching certificate. Florida teacher certificates are public record and can be viewed on the Florida Department of Education website at FLDOE.org.
- If you are an evaluator and would like to be included on this list, please email your request to [home.education@sdhc.k12.fl.us](mailto:home.education@sdhc.k12.fl.us)
- An additional resource for locating an evaluator can be found at the following link: <https://fpea.com/homeschooling/evaluators>
