

What does the Athletic Booster Club do?

- ❖ Formally recognizes academic and athletic excellence through annual awards
- ❖ Provides scholarships for graduating senior student-athletes
- ❖ Organizes Fall/Winter/Spring Athletic Sports Banquets
- ❖ Coordinates volunteer efforts to raise and allocate funds for equipment needs and facility improvements

Why should I join?

- ❖ The PCHS Booster Club supports and celebrates ALL student academic and athletic achievements and advocates for the preservation of all athletic programs.
- ❖ Your membership dollars fund equipment purchases and facility improvements above and beyond what individual teams can fund on their own.
- ❖ Your membership dollars also help to fund at least 2 scholarships given to student athletes.

What are we about?

The PCHS Athletic Booster Club helps the athletics program serve students in many ways, from staffing the admissions gate and selling concessions at home games, to raising money for all of our athletic teams. Comprised of parent volunteers, school administrators, and community leaders, the Booster club enables the school to build programs and provide student athletes with needed support.
