

Dear HCPS Families,

As we anxiously await the return to school for our learners who selected brick and mortar, it is important to continue to share critical information with all stakeholders. As you can imagine, there are many questions regarding the return to school for any student or staff member who has tested positive for COVID-19 or who has been in close contact with someone who has tested positive for COVID-19. We are asking all parents to monitor their children for symptoms each day before reporting to school. If your child is sick, or exhibiting symptoms, he or she should stay home. According to the Centers for Disease Control and Prevention (CDC), symptoms of COVID-19 are fever of 100.4 degrees or chills, shortness of breath, cough or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. Please know that we will work with every learner regarding attendance protocols and how we will continue the instructional process.

If you have questions related to our district response to COVID-19, you may send an email to COVID@hcps.net, call our COVID hotline at 272-4788, or refer to our School Reopening Plan Frequently Asked Questions at hillsboroughschools.org.

Thank you for being an ongoing partner in our work.

Respectfully,

Addison Davis
