Students Taking an AP Course - All students sign & agree to the following terms:
  ▪ AP courses are rigorous, college-level courses that are equivalent to 1 semester in college. Students receive an additional .08 on the weighted gpa for completing AP.
  ▪ AP courses require intellectual maturity, ability and organization to reach success.
  ▪ AP courses require all students to participate in the AP exam in May. Failure to show will result in a $40 fee added to the debt list. No diploma is awarded to students until all debts are cleared. There are no exceptions to this rule per College Board & District policies. If you decide to order a late exam, the fee is $45.
  ▪ AP courses require homework not typical in regular or honors classes.
  ▪ AP courses will require additional study time not typical in regular or honors classes.
  ▪ AP courses often require students to seek out additional resources to be successful. Such things as tutoring, online support, study groups. We do offer an AP support class for students taking an AP course for the first time or those students taking 3 or more AP courses. The class helps students form study groups and strategies to study for success on the advanced placement level.
  ▪ Counselors are not permitted to withdraw any student from AP courses. All students must meet with the Assistant Principal for Curriculum.

The "Student Handbook" will no longer be a usable link. All information accessible through the handbook in the past will now be accessible throughout the district website via navigation menu and search box.
There may be occasions when the administration will make changes in the Student Code of Conduct.
Code of conduct can be found at sdhc.k12.fl.us/conduct

DISCIPLINE POLICY
I have read the District Student Handbook regarding student discipline and know that my child is expected to comply. If my child behaves inappropriately at school, I understand that there will be an appropriate disciplinary consequence.

TARDY POLICY
I understand that school starts at 8:30 AM every day.
Any student arriving after 8:30 AM will accumulate a tardy upon entering class. When a student is more than 15 minutes late they must sign-in at the Student Affairs Office.
1. Tardies are counted on a cumulative basis per nine weeks.
2. All students are to be in their classroom-assigned instructional area when the bell rings. There is a warning bell before the tardy bell.
3. Tardies will be computed on a quarterly (nine weeks) basis for all classes.

Tardy # per nine weeks  Consequences

GUIDELINES FOR ADMINISTRATION OF MEDICATION

It is recognized that medications may be essential for some students. When possible, all medications should be administered at home. If medication must be given at school, the following procedures are required:

1. All medications given at school must be U.S. Food and Drug Administration (FDA) approved for the medical diagnosis.
   a. Substances not to be given at school are all unregulated products, such as herbs and food supplements, which are being used as treatments, dietary supplements, or folk remedies.
   b. No IV access will be started, flushed, maintained, or discontinued in any circumstance. No medications will be permitted via central venous catheter or peripheral intravenous central catheters (PICC lines or central lines) including antineoplastic agents, investigational drugs, total parenteral nutrition (TPN), blood or blood products, emergency medications, or antibiotics.

2. Oral non-prescription (over-the-counter) or sample drugs will be dispensed only when accompanied by written orders from a physician, APRN, or PA and must be U.S. Food and Drug Administration (FDA) approved for the medical diagnosis. Students may not carry over-the-counter medications at school.
   a. Medication is always to remain in the container in which it was purchased and must be unopened when received by the school.
   b. Written parental authorization is needed for all non-prescription drugs.
   c. Cough drops will be treated as an over-the-counter medication.
   d. Possession of drugs of any kind may lead to serious disciplinary action.

3. No prescription narcotic analgesics are to be dispensed at school. The side effects make it unsafe for students to attend school while medicated with narcotics.

4. A signed statement by the parent/guardian requesting the administration of medication must accompany all medication. The Parent Authorization for Administration of Medication form must be completed before receipt of the medication.
   a. New authorization forms will be required when any changes with the orders occur.
   b. All medication/procedure forms must be updated annually.

5. Medication must be sent to school by a parent/guardian.
   a. It is not safe for children to deliver medicine to the school.
   b. This policy prevents safety concerns of lost or stolen medicines, students sharing medicines with friends, and students taking medicine unsupervised.

6. Medication must be in the original prescription container with the: 1) name of drug, 2) date prescribed, 3) dosage prescribed, and 4) time of day to be taken, any special directions, with student’s and physician, APRN, or PA names clearly marked.
   a. Medication must remain in the container in which it was originally dispensed.
   b. Most pharmacies will provide an extra empty labeled bottle for school for parents if requested when the prescription is filled. A separate prescription bottle should be provided for field trips.
   c. No more than a month’s supply of controlled medication may be brought in at a time.
   d. All new prescription refills must remain in original container with current expiration date.

7. All medications and/or supplies received must be documented with the parent/guardian, employee, and witness on the Medication and Supply Intake Form (SB 87031).
   a. The amount and date received are to be recorded.
   b. The parent/guardian is also required to sign Medication and Supply Intake Form when picking up medication/supplies.

Distribution: Nurse or HOST Personnel, Parent
Goes with SB 87034 (Rev. 01/23/2020)
GUIDELINES FOR ADMINISTRATION OF MEDICATION (cont.)

8. The parent/guardian should arrange for a separate supply of medication for the school.
   a. Medication will not be transported between home and school.
      i. Exceptions by Florida statutes 1002.20(h)(j)(k) which require a Parent Self Administration Form and a Physician Self Administration Form for: asthma inhalers, EpiPens, pancreatic enzyme supplements, and diabetes supplies and equipment.

9. When any medications are added or discontinued, a new authorization form is required.

10. When medication dosages or times are changed, a new signed authorization form with the correct information must be completed and a new label from the pharmacist or physician, APRN, or PA order/prescription indicating the change must be sent to the school.
   a. A fax is acceptable.

11. Medication will be stored in a locked cabinet at the school at all times.
    a. Exceptions by statutes are asthma inhalers, EpiPens, pancreatic enzyme supplements, and diabetic supplies and equipment. Students who self-carry require a Parent Self Administration Form and a Physician Self Administration Form.

12. Since many students receive medication during school hours, a school district employee designated by the principal will administer medication.
    a. The designated employee will be trained by the Registered Professional School Nurse as permitted by Florida law. This includes HOST, field trips, and when the student is away from school property on official school business.
    b. The medication container with pharmacy label/supplies and copies of paperwork will be sent with the trained staff member, agency nurse, or HOST staff personnel. All medications must be signed out and recorded on the Field Trip Medication Sign Out Sheet (SB 86900).
    c. Under no circumstances may medication be transferred from one container to another by anyone other than Registered Pharmacist with the exception of field trips which must be done by the Registered Nurse. Registered Nurses preparing for field trips should choose one of the following options: send medication in original container or transfer to a medication envelope with a copy of the original medication label attached.

13. Liquid medication will be given in a calibrated measuring device supplied by the parent.

14. All medications/supplies must be removed from the school premises within one week of the expiration date, upon appropriate notification of medication being discontinued, or at the end of the school year.
   a. Medications/supplies that are unused and unclaimed will be destroyed following proper disposal procedures.

15. Planning and protocols for any medication or treatment which requires a one-time dosage for a specific intent are the responsibility of the Registered Nurse, ONLY.

16. Non-medicated sunscreen and insect repellent may be administered without a prescription but a parent/guardian authorization form must be completed.

Florida Statute 1006.062 is the reference for the above guidelines.
Questions regarding these procedures should be directed to the Registered Nurse assigned to the school your child attends or to the office of School Health Services, Division of Academic Support and Federal Programs, 273-7020.

Volunteer & Visitor Management
Hillsborough County Public Schools

All volunteers and community partners must complete/reactivate the online HCPS Volunteer Application each school year. Anyone who submits a volunteer application after July 1 will remain active in our system through June 30 or the end of fiscal year.

This application should be submitted at least two to four weeks prior to any volunteer activity. Allow longer for Level 2 Fingerprinting

Becoming a Volunteer

HCPS is moving to a new centralized volunteer application and visitor management system (SafeVisitor) for the 2020-2021 school year. The new centralized volunteer application is scheduled to be available early August 2020.

From the District website (www.sdhc.k12.fl.us)

• Click on the “Families” menu and select Helpful Links
• Then click on the “Volunteering in HCPS” link.
• Finally, click on the “Y.E.S.” icon on the right.

From a school website

• Click on the “Volunteer Services” menu.
• Finally, click on the “Y.E.S.” icon on the right.

Visitor/Volunteer Safety Guidelines

It is essential to create a healthy and safe environment by limiting potential COVID-19 exposure whenever possible.

At this time, we are suspending all general volunteer and extra-curricular activities onsite without prior approval until further notice. Our district will be limiting access to visitors and volunteers by appointment only. A request must be made at least 24 hours in advance.

All volunteers, mentors, and community partners will be encouraged to continue their services utilizing alternative methods (i.e., virtually and outside the school building) in partnership with district office or school administration. Extracurricular activities should be done virtually where feasible.

STUDENT NUTRITION SERVICES EMERGENCY MEAL POLICY

A written copy of the emergency meal policy will be provided to all households. Every school is required to follow the policy. Students who qualify for a free or a reduced-priced meal can always receive a free lunch (the district waives the .40 cost for the reduced-priced meal). All students regardless of eligibility status can receive a free breakfast. Paid students who forget their lunch money can receive a “charged” meal. To protect the identity of all children at the point of service, SNS uses a prepayment system that limits the exchange of money and prevents the disclosure of a student’s eligibility status.

1. Students are allowed to charge for meals when they don’t have money. The student will be given the same school lunch that other children are receiving. A La Carte Items can never be charged.

2. Parents of students who charge one meal will be notified by phone, after their child has received the meal. The parent will be encouraged to quickly pay for this meal and reminded of the policy.

3. Parents of students who continue to charge will receive notification in writing which will encourage the parent to pay off their charges.

4. If a student continues to come to school with no packed lunch or lunch money, attempts will be made to discuss the issue with the parent and to encourage them to complete a meal benefit application.

5. Any time there is an uncollected balance on a child’s meal account, the child will be prevented from purchasing A La Carte items.

6. Any unpaid balance on a child’s account will be carried over from year to year.

7. The parent is responsible for all uncollected meal balances which must be paid, prior to graduation.
NORMAS PARA LAS COMIDAS DE EMERGENCIA
DE LOS SERVICIOS DE NUTRICIÓN ESTUDIANTIL

Se proporcionará una copia de las normas de comidas de emergencia a todas las familias. A todas las escuelas se les exige que acaten estas normas. Los estudiantes que califican para obtener almuerzo gratis o a precio reducido siempre podrán recibir almuerzo gratis, (el distrito les exonerará los 40 centavos del almuerzo). Todos los estudiantes, independientemente de su elegibilidad, pueden recibir desayuno gratis. Los estudiantes que pagan el precio completo y se les olvida traer el dinero, pueden recibir comida “fiada”. Para proteger la identidad de todos los estudiantes en el momento de servirles, el Servicio de Nutrición Estudiantil (SNS) utiliza un sistema de prepago que limita el intercambio de dinero y evita que se exponga el estado de elegibilidad del estudiante.

1. A los estudiantes se les permite cargar a la cuenta por las comidas cuando no tienen dinero. Se les proveerá el mismo almuerzo que los demás niños reciben. No se fijarán los artículos a la carta.
2. A los padres se les notificará por teléfono después que el estudiante haya cargado el almuerzo y lo haya recibido. Se les exhortará a los padres que paguen inmediatamente por el almuerzo y se les enfatizará sobre las normas.
3. Los padres de los estudiantes que continúen cargando comidas a la cuenta, recibirán una notificación escrita, para exhortarlos a que paguen los cargos.
4. Si un estudiante continua viendo a la escuela sin su almuerzo o sin dinero para pagarlo, haremos el propósito de discutir el asunto con los padres y les exhortaremos a que llenen una solicitud de beneficios para comidas.
5. Si el estudiante tiene un estado de cuenta negativo, no se le permitirá comprar artículos a la carta.
6. Los cargos no pagados se seguirán reflejando en la cuenta del estudiante en los años subsiguientes.
7. Los padres son responsables del estado de cuenta negativo el cual deberá pagar antes de la graduación.

If you are in the 9th grade or 10th grade, you must have a cumulative 2.0 grade point average on a 4.0 unweighted scale in all courses taken through the end of the previous semester; OR you must have earned a 2.0 grade point average on a 4.0 unweighted scale in the courses taken in the previous semester alone, provided you sign an academic performance contract (FHSAA form EL5) with your school and attend summer school as necessary. (Article 9.4, FHSAA Handbook, Bylaws and Policies)

HEALTHY STUDENT PROGRAM APPLICATION FORM

Dear Parent:

Your child is eligible for enrollment in the Healthy Student Program, available only at selected schools in the School District where there is a full time Registered Nurse. The services of this program may be interrupted at your child's school, if the school is unable to staff the clinic with a registered nurse. Enrollment in this program does not replace the services of your primary health care provider, nor does it replace the need for health insurance for your child.

The main purpose of the Healthy Student Program is to improve school attendance and promote optimal health and wellness. Healthy Student Program services are offered at no direct cost to you and all students are eligible for the program. A student may be withdrawn from the Healthy Student Program at any time by the parent or the school health services staff with written notice.

Services available to students enrolled in the Healthy Student Program are:

- Assessment of acute illness or injury and the administration of limited over the counter medications, following physician guidelines and protocols (i.e. Tylenol, Ibuprofen, antifungal and antibiotics ointments).

- Assessments and follow up of infectious and communicable diseases (i.e. pink eye, ringworm and head lice).

- Provide education on a variety of adolescent health concerns.

- A health professional will communicate with you about your child's particular health findings that require an evaluation, follow up and or referral.

- To reduce barriers to learning, a MD or APRN may be available for selected consultation, mainly including physicals and mental health issues.

- Physical Examinations for School Entry or Sports by an APRN or MD — includes adolescent health topics and a complete comprehensive head to toe examination. Inguinal hernia checks, breast and testicular exams are part of the physical examination. Based upon reported risk factors, breast or testicular exams may be performed. The exam for sports include mandated inguinal hernia exam. GYN exams are not performed in school clinics.

- Lab screenings are done, as needed, when available including, but not limited to: hemoglobin, urinalysis, rapid Strep A test, pregnancy testing.

Please inform the school nurse of any newly diagnosed health conditions for your child or changes in health status during the school year. The primary goal of school health services is to support the physical and mental well being of your child.

The Healthy Student program is in place at some high schools. In an effort to sustain and fund the program, we encourage you to complete and sign permission to bill third party payers, including Medicaid, on the attached form.

TO ENROLL YOUR CHILD IN THE HEALTHY STUDENT PROGRAM YOU MUST COMPLETE THE MEDICAL HISTORY FORM AND SIGN THE PARENT PERMISSION. Return to the school nurse or your student's teacher. Thank you.
